Re: 2020 Insurance Renewal Summary

Attached is the summary of the renewal premiums and coverages for the policies offered by the LMCIT and policies secured through other markets for coverages that are either more competitive than the LMCIT or not offered by the LMCIT.

I have listed the renewal premiums for the current and previous year for a comparison.

The LMCIT has declared a dividend to participating cities for 2019. Windom's dividend is \$7,738 and was paid out in December 2019.
