

## Project Particulars

### Schedule I & II

The 2020 Street Improvements include complete Bituminous pavement reconstruction between the existing/new curb and gutter on 14th, Des Moines, Highland, Verona and Fairview Streets. This will allow for corrective work to the subgrade that may be needed, including a new granular pavement base. The project includes replacement of utilities (Sanitary, Storm and Water) in virtually all project segments as determined necessary by the respective utility department.

### Schedule III & IV

Bituminous overlay with milling operations on South 6th Avenue and 16th Street.
