American Heart Month: The importance of moving

Did you know that staying active can help protect your heart? Regular activity can help keep your blood glucose, blood pressure, and cholesterol levels normal and lower your risk of heart disease and stroke. The following resources can help you stay motivated in your activity goals.

Resource #1: Fit ChoicesSM by Medica

Looking for motivation to hit the gym? Earn up to \$20 per month by working out eight times a month at a participating fitness club. Choose from a range of fitness facilities and convenient locations – from top-name health clubs to hometown fitness facilities. Learn more: [Medica.com/FitChoices](https://www.medicacom/fitchoices).
