

Not Hearing Like You Used to?

Hearing Aid Program

Amplifon Hearing Health Care offers Medica members a significant savings on hearing aids and services from the industry's leading manufacturers.

In addition to an average hearing aid savings of 64%, Amplifon also offers:

- A 60-day risk-free trial period with 100% money-back guarantee
- 1-year free follow-up care
- 2-year supply of free batteries, which equates to 160 cells (for one hearing aid) and 320 cells (for two hearing aids), or a free recharging station
- 3-year coverage for loss, repairs, or damage
- Custom hearing solutions from the industry's leading brands
- No interest financing for those who qualify

Call Amplifon at **1 (888) 831-4388** or visit AmplifonUSA.com/Medica to take advantage of this offer.

If you've had a hearing test within the last six months, you can bring your audiogram results to an Amplifon provider to utilize the hearing aid discount.

Currently, **one in nine Americans** have hearing loss.

95% of hearing loss can be treated with hearing aids.
